QUESTIONS?

Email entry@sandiegobeerfestival.com or call (858) 792-4207

We'd like to invite all breweries, cideries and meaderies, both domestic and international, to gain recognition for their skillfully crafted products at the San Diego International Beer Competition and Festival. The San Diego County Fair enjoys over **1.5 million** visitors per year. The three-day San Diego International Beer Festival held during the Fair attracts more than 8,000 consumers, making it the largest beer fest in the Southern California market. To participate in the Festival, breweries must enter the Competition. We wish you the best of luck in the San Diego International Beer Competition.

HOW THE SAN DIEGO INTERNATIONAL BEER COMPETITION WORKS:

Eligibility:

Open to any licensed brewery, brewpub, meadery or cidery. Breweries with multiple locations may enter up to Ten (10) beers from each location, but may not enter the same brand twice. Beers may be entered only by a representative of the brewery. Distributors are responsible for gaining brewery permission for entry submittal. All beers entered must be currently available for commercial sale to the general public. Each entry must meet the TTB definition of beer, mead or cider and must possess the general characteristics of beer, mead or cider and conform to the general trade understanding of beer, mead or cider.

Tips when registering:

Please ensure that each beer is registered under the correct brewery name.

Please check your Brewery's name spelling/completeness. This spelling will be used for signage, and the website for other promotional purposes. We want to make sure we are representing your brewery name correctly. Review your entry cart before you complete the registration transaction to assure that you have entered the correct division and class for each brewery/beer.

Submit for Competition:

Competition beers consist of 3 bottles or cans of 16 oz. or more (17.9 oz., 22 oz., 750 ml.) or 4 bottles or cans if 11 oz. - 12 oz. If you are entering categories 26, 27, 29, 30, 32 and 33 (APA, IPA, DIPA and all juicy or hazy categories) that you send 4 bottles regardless of bottle size due to the size of these categories. Print the labels provided at the end of this document and tape these entry labels to each bottle/can in a water-proof manner (wide, clear packing tape is best). If entries are bottle conditioned, please include a highly visible additional label so stating; we want to handle your entries properly.

Deliver/Ship entries to:

Del Mar Fairgrounds

Attn: Exhibit Dept./San Diego International Beer Competition

2260 Jimmy Durante Blvd., Del Mar, CA 92014

Competition Judging/Procedure Rules:

1. If a beer is not registered during the online entry submission, it will not be judged.
2. Limit of one (1) entry per class OR sub-class per brewery, except in meads and ciders.
3. You may enter a beer in each lettered sub-class of a category, but not two (2) beers in a single sub-class. Each beer brand may be only entered once. If the same beer is produced at multiple locations, only one location may enter the brand.
4. Use the entry label provided in this document for all beers delivered and shipped, otherwise it may reflect in your scores.
5. All judging will be blind.
6. No judge may participate on a panel where he or she has an entry or where there may be the appearance of a conflict of interest.
7. All decisions of the judges are final.
8. Beers will be judged against others of similar style as defined by the Brewers Association Style Guidelines for beers and by BJCP guidelines for meads and ciders (both used with permission). To print the complete Competition Style Guidelines, visit www.sandiegobeerfestival.com.
9. Classes must have at least six (6) entries to be judged. Classes with fewer than six (6) entries will be combined into a new sub-class at the discretion of the coordinators.
10. At the discretion of the coordinators and/or judges, entries not meeting the eligibility or entry requirements will be moved or disqualified.
11. Beers with top-performing scores will be invited to participate in the San Diego International Beer Festival at the 2019 San Diego County Fair.
12. Beer will not be returned after judging.
13. Local and State Rules will be followed; copies are available at www.sandiegobeerfestival.com.

Incentives:

Breweries will receive the following depending on how many beers are entered:

- Two (2) Festival T-shirts

Enter 1 – 4 beers:

- Four (4) Fair admission tickets (will be mailed)
- Four (4) Brewery Festival wristbands (pick up at the Brewery Check-In Booth inside Festival)

Enter 5 – 10 beers:

- Eight (8) Brewery Festival wristbands (pick up at the Brewery Check-In Booth inside Festival)

Brewery Festival wristbands are good for all sessions. Additional single session wristbands may be purchased at www.sandiegobeerfestival.com.

Awards:

Three rosette ribbons, Gold, Silver, or Bronze are possible in each class. One Best of Show will be selected from all beer entries. A Champion Brewery Award for the brewery amassing the highest point total will also be awarded.

The Best of Show winner will be the proud holder of the San Diego Brewers Guild Trophy. The winning brewery is responsible for its safekeeping, displaying the trophy throughout the year and returning it to the San Diego International Beer Festival the following year. Ribbons will be available for pickup at the Festival, if you cannot pick them up they will be mailed to you.

Beer Judges for Competition – We Need Your Help!

Qualified volunteer judges please register online at www.sandiegobeerfestival.com. We strive to get as many brewers and brewery employees as judges as we can but we need your help. Please consider sending your brewery staff members to judge as a great way to gain experience in judging and tasting beer. Judging will be **Friday, April 12 and Saturday, April 13** with three (3) judging sessions and lunch served both days.

By The Way...

Now that this year's competition is open we'd like to invite you to "follow" and "like" our San Diego International Beer Festival Facebook and Instagram page.
